a. Frau HAZEBRUCH, factory firm owner, arrested (presumably by the Germans) along with 26 or 30 persons, in April 1953, in West Germany.

b. Frau ENOLERT or ENBERT, ex-SS officer, possibly rank of captain, had dealings with Hungarian food import/export firm.

c. Frau GEBHARDT, former paratroop Major, commercial contact.

d. Frau GOETZEL or GOEHL, spent considerable period of time in Ankara, Turkey, and possibly in Hungary prior to 1945 as German diplomat, commercial contact.

2. JUNGER in 1952 purchased machinery from a German firm (name [] is not certain of the name). The machinery was to be shipped through Salzburg.
